The image features a smartphone on the left displaying the Samsung Health app interface. The app shows a greeting from 'babylon' with the text 'Hi, Simon' and 'How can I help you?'. Below this is a search bar and a section titled 'Talk to a GP' with a 'BOOK APPOINTMENT' button. A 'How it works' section follows, detailing 'See a GP in minutes' and 'Health advice when you need it'. The background of the entire advertisement is a photograph of a smiling man carrying a young child on his shoulders in a park setting.
